PRICE LIST • 10.75" Modular Planks • 09/01/2021

Pricing Listed Below is by individual plank assembly - (One side of a single unit platform)

Each plank includes: A Top & Bottom Frame Section, (2) Ball-N-Cone™ Bearings, (4) Frame Connectors, & all hardware necessary.

This allows configuration of a "single unit platform" using (2) planks (as above), or "multi-unit platforms" for multiple units in rows.

Example: a row of (6) units would require (7) planks.
